Emergency Equipment

Each bus /van is equipped with a first-aid kit, body fluid kit, fire extinguisher, emergency road flares. In addition, buses are equipped with belt cutters and fire blankets. Drivers and Riders are provided training in the use of this equipment at new staff orientation.

The Driver is responsible for maintaining and re-supplying this equipment as needed throughout the year. The availability of this equipment should be checked during pre-trip inspection. In the event any of this equipment is used or damaged, the Driver is responsible for notifying the Mechanics via a vehicle write up sheet. The Mechanics are responsible to re-supply the bus with whatever is needed when properly notified.
